Questionnaire title: "Session 3B_Practice_Choosing Question Type"

Section 1: Sample HH survey with basic questions

Conduct the interview with the first person you meet after you arrive at the household who actually resides in the household. You must ask every person you meet at the household if he/she resides there, and interview the first person who says yes.

1. What is the address of the household?
2. What is the name of the holder?
3. What is the age of the holder?
4. How many parcels are cultivated?
5. Please select which crops are under cultivation in order of largest area to smallest area:
 1. Maize
 2. Soybean
 3. Wheat
6. Are any of the cultivated parcels irrigated?
 1. Yes
 2. No
7. On what day will the first harvest of any parcel take place?
8. Are there livestock present on any parcel?
 1. Yes
 2. No
